## Scholarship Fund

Our scholarship fund was established to support our goal of helping all families discover the joy and benefits of family and community music-making through Music Together<sup>®</sup> classes. Your generosity allows us to remove the financial barriers that might otherwise prevent children from discovering and developing their musical potential..

You can help by contributing a gift as small as \$5 or as much as a full tuition(\$ 140).

You may also pass the attached application form to a family to whom you would like to see a scholarship given. Scholarships will be awarded as funds are available.
