Androscoggin Music Together — Spring 2018

(207) 777-4932

What is Music Together®?

Music Together is a research-based music and movement program designed to support the musical development of babies, toddlers, preschoolers and their caregivers.

We sing, chant, move to the beat, “jam” with instruments, and more. Recognizing that all children are musical, and can achieve basic music competence if exposed to the proper environment, we provide a rich array of musical experiences to unlock their potential. We strive to provide quality music from a wide variety of cultures, meters and tonalities.

Our educational model gives children freedom to respond as they choose in class in accordance with their personality and developmental level. Some learn by listening and observing, others by playing and experimenting. We encourage play and creativity in class and at home.

Music is a social activity with us, and we encourage you adults to join in the fun! A musical background is not necessary; but enthusiasm is vital! Your child’s learning is reinforced through family music interaction in class and at home. Regardless of your musical ability, with your joyful participation you can foster a love of music in your child.

We offer several types of classes in addition to our classic **Mixed-Age** class, where the whole family participates together.

BABIES CLASS (0-8 months): Specifically designed for infants eight months and younger, this one-semester introduction to Music Together® allows babies to embrace, enjoy, and express their inborn musicality. Along with other new parents, you’ll learn how your child is developing musically and leave with lots of ideas on how to play and bond musically at home.

BIG KIDS CLASS (5-7 years): This next step program blends elements of Music Together that parents and children love with new musical activities, skills and challenges perfect for 5- to 7 year-olds, like solfege, instrumental solos, conducting, game songs, drumming, and more!

GUITAR FOR GROWNUPS: This class is for adults, parents/caregivers of enrolled children who want to play the Music Together songs their child loves on guitar. Beginners who have never held a guitar are accommodated as well as those who have some skill. We make learning fun in our relaxed community! Participants receive a workbook and bring their own guitar, capo, and tuner.

Visit a Class

If you are new to Music Together®, we invite you to attend a sample class at no obligation.

To find out about and register for free demonstration classes:

Call or e-mail Caroline

One child tuition—\$140

Sibling tuition—\$80

Big Kids—\$100 for sibling

Infant siblings*—free

*birth to 8 months

The cost for the program includes two CDs and a songbook with the music, words, and activities to do. Twins count as one child for tuition purposes. Infant siblings under 8 months of age may attend free of charge.

Make-up Policy

If you miss a class, you may make it up during another scheduled class on a space-available basis. Makeups must be taken within the current semester.

Refund/Credit Policy

Full payment is due with registration. If you withdraw before the first class, you will be refunded. No refunds will be given after the first class. Partial credit towards future semesters may be issued if you withdraw after the first class only in exceptional circumstances.
